Dear Examiner Nguyen:

You asked me to fax over a list of proposed talking points for our Phone Interview scheduled for 6/17/03. I am attaching a draft response to the final office action. I am most interested in discussing the points described in the remarks section. Namely, it is unclear from the office action how the fact that an IWF may be substituted for a NAS allows the prior art to show all the elements of the claims. I look forward to discussing this in more detail on Tuesday. Thanks for your willingness to discuss this with me.
